The college conducts add-on courses on Tally, MS Office, Spoken English, Communication Skills, Personality Development, Share Market, Interview Techniques, and GST. The college does not conduct online MOOCs, SWAYAM, or NPTEL courses.

The affiliating university has introduced Value added courses for F.Y. B. A. & B. Com, under Choice Based Credit System w.e.f. 2019-20. The students must earn two credits during the first and second semesters by completing two value-added courses, i.e., one each semester. The value-added courses are Computerised Accounting, Employability Skill Enhancement Programme, Gender Sensitivity, Intellectual Property Rights Laws, and Value Education. These courses have not been included because they are part of the curriculum the affiliating university prescribes.
