Introduction:

Dhanlaxmi Shikshan Sanstha's Sahkarmitra Shivajirao Katkade Arts and Commerce College, Naigaon, Tal. Sinnar, District Nashik, situated in a rural area in 2002 and affiliated with Savitribai Phule Pune University, Pune Maharashtra.

The college offers BA & B.Com programs. Presently, over 460 students are studying in college. The college has continuously worked on quality improvement and improving the students' learning experiences. To analyze the lag areas of the college and the scope for further improvement, feedback from Students, teachers, Alumni, and employers has been collected once a year.

## The Students' Feedback:

Plan of Data Collection and Analysis:

An effort was made to receive feedback from all students of the college. For this purpose, an offline feedback collection methodology was adopted due to the unsupported internet range. During the assessment period, the feedback received from the students have given in the below table

Year	No. of Students on Roll	No. of Students submitted their feedback	Rating			
			Very Good	Good	Satisfactory	Poor
2017-18	460	440	330	120	10	0
2018-19	504	490	367	108	15	0
2019-20	548	525	399	116	10	0
2020-21	568	540	432	100	08	0
2021-22	517	500	400	75	25	0

The structured questionnaire was circulated among the students to collect their responses on the teaching-learning and evaluation process. Fifteen days were given to them to submit their reply.

Most students submitted their responses within the time with suggestions for improvement in the activities organized by the college.

The year-wise suggestions received from the students are:

2021-22	2020-21	2019-20	2018-19	2017-18
---------	---------	---------	---------	---------

To launch more job-oriented courses	The students received no comments due to Covid-19, only online lectures and examinations of third-year students.	To arrange guest lectures	To conduct competitions on Debates, Essay Writing, Dance, and Singing	To introduce remedial. And bridge courses
To organize quiz competitions based on the curriculum		To improve the internal examination system and make it user-friendly	To arrange tours and Industrial Visits	To launch add-on-courses
To conduct remedial and bridge courses		To engage extra-lectures for the revision purposes	To guide the students in the preparation of field visit reports	To arrange sports events in the college frequently
To arrange lectures from 8.30 am to 2.00 pm every day		To conduct an internal examination in one slot in the morning session	To keep the library open full day during the examination period	To avail of fees payment facilities in installments
To inform the students of examination schedules through their WhatsApp		To provide additional books from the library	To introduce skills-oriented courses	To provide guidelines for the submission of scholarship forms

The students point out the difficulties and problems they have faced. None of the students made significant suggestions regarding their curriculum because they studied in traditional programs like B. A. & B. Com, and their educational profile is average compared to urban area students. They feel that the programs' curricula are based on theory rather than practical aspects and are hard to understand for the rural youth. The teachers shared the students' general comments and suggestions in the university workshops organized to make awareness of the revised curricula.

The college has taken students' suggestions positively, and as per the vision and mission adopted by the college, their suggestions were implemented immediately. It proves that the student's admission strength increases steadily year after year.

### **Teachers Feedback:**

The college collects teachers' feedback on the teaching-learning and evaluation process adopted by the college and the response from the enrolled students. In the teacher's

questionnaire, 13 questions have asked through the manually distributed questionnaire and the feedback collection mechanism exercises in a year during February.

The teacher's feedback for the assessment years are:

Year	No. of Students on Roll	No. of Students submitted their feedback	Rating			
			Very Good	Good	Satisfactory	Poor
2017-18	14	14	14	0	0	0
2018-19	14	14	14	0	0	0
2019-20	13	13	13	0	0	0
2020-21	13	13	13	0	0	0
2021-22	13	13	13	0	0	0

The teachers participated in the syllabus revision workshops, assessment programs, and senior supervisors' work. They shared their views in such gatherings about the students' attitudes, involvement, curriculum hardness, and the rural youth facing difficulties regarding the prescribed curriculum.

The college has a self-financed institute affiliated with Savitribai Phule Pune University. The leaving and joining in the college volatility ratio is very low; during the assessment period, Dr. Anil Champalal Bhavsar left due to his superannuation and other teachers left the college for their problems.

#### **The Alumni Feedback:**

The college collects alumni feedback on the general ambiance of the college, and they play a pivotal role in submitting their responses. After completing their study, most alumni joined micro, small, and medium enterprises (MSMEs) as employees in urban areas-based MSMEs.

They come to college for the functions and programs organized by the college and share their view about the need for higher education, and avenues opened for the graduate youth. The Alumni have formed their Association and conduct their meetings in the college.

#### **The Employers Feedback:**

the college collects feedback from Employers, Mutual Funds Representatives, LIC Development officers, wholesalers of grocery Items, Hotel Owners, Transport Agencies, Credit Cooperative Societies, Milk Collection Dairies, and Newspapers Distributors who employ the youth. They pass their comments about the college students' knowledge, attitude, honesty, hard-working nature, dedication, and commitment towards national equity and equality of gender. The college receives the best response from them and invites them as a guest for the functions and programs organized by the college.

Enclosures:
