Capacity Development and Skills Enhancement Initiatives Report for the year

1. Soft skills Soft skill training is provided to the students to understand the role of listening skills in effective communication, expose students to a neutral accent, and acquire decision-making, problem-solving, and assertive skills.

The departments involved in the activity organize seminars and workshops for the students to enhance their presentation skills, interpersonal skills, team building, emotional intelligence, and decision-making.

They conduct an Induction program regularly at the beginning of every academic year for the freshers for three weeks.

Eminent people from institutions and industries deliver lectures on motivation and personality. Soft skill development is a part of the regular curriculum.

The college's English, Hindi & Commerce department provides soft skill training to the students, as shown below.

Sr. No.	Name of the Activity	Date of the Activity	No. of students Participated
