2. Please provide Link to the policy document.
3. Please provide e-copy of letter/s indicating financial assistance to teachers.
4. Please provide List of teachers receiving financial support year wise under each head signed by the principal.
5. Please provide Audited statement of account highlighting the financial support.

HEI Response:

The college allows the teachers to participate in seminars, conferences, and workshops nationally and at State levels organized by affiliated colleges within the area of coverage of the affiliating university.

The college does not allow the teachers to participate in seminars, conferences, and workshops organized out of the coverage area university Nationally and internationally because the college has a self-financed non-professional college.

The college pays traveling allowance and registration fees charged by the organizing institutions. Generally, the affiliated colleges receive financial assistance to organize seminars, conferences, and workshops from the affiliating university under quality improvement programs, so these colleges don't charge registration fees.

The college pays the participating teachers a traveling allowance if the host college is away more than 20 kilometers from the college.

The traveling charges are between Rs. 250 and Rs. 500 range, and payment is made by cash to the teachers participating in the seminars, conferences, and workshops.

The details of the teacher's participation in the seminars, conferences, and workshops during the assessment period are as follows.

2. During the Covid-19 pandemic, online webinars were conducted by the organizing institutes and charged only registration fees.
